

KID'S CAMP 2010 Themes:

Registration Begins April 2010

Splash into Summer Camp: Week # 1: June 7th, June 11th, 2010.

Hold on to your hats, because we're going to start this summer with a blast! This week pushes Campers to their limits with daily special activities. Campers will learn that we still have a few tricks up our sleeves as we introduce new activities and life skills: trust in others, making new friends, meeting new people and reacquainting with the old friends. Plus we will be seeing your special talents with a Camp Talent show!

Natures Art: Week # 2: June 14th-June 18th, 2010

Let your creativity run wild and explore the beauty we see around us and use the inspiration of our natural environment to create our own works of art. Mud, rocks, berries, leaves, twigs and more will be there to create our masterpieces.

Lets Fish and have fun: Week #3: June 21st-June 25th, 2010

Come fishing for the day, come fishing for the season, we are ready for it. This week our campers will spend time fishing on Stone Lake and learn about the different fish we have in our lakes. Crafts, songs and games will also highlight this special week. Come have fun and get hooked on fishing!

Carnival Week: Week # 4: June 28th-July 2nd, 2010.

The carnival has arrived! Come join us and clown around as we have a fun week of carnival activities, including face painting, bozo buckets, booth making and more!

Pirates of the Wetlands: Week #5: July 6th-July 9th, 2010: (No camp on July 5th)

Were swashbuckling pirates of the wetlands we live. We look for adventure and hidden treasures we seek. We travel our Wetlands and what do we see: cattails, water lilies, snakes and turtles with ducks and dragonflies and more to explore. So climb aboard mates as we explore the wetland wonders and have a little pirate fun too!

Lets go green and Recycle: Week # 6: July 12th-July 16th, 2010

Working together, we need to think green, become more pro-active and keep our futures environmentally friendly and safe. Reuse, Reduce, and Recycle. Each of the three represents a step in the recycling process: collection, processing and making recyclables into new products that will be our goal! Special crafts will be made from recycled materials.

Trail Blazin with Cowboys/Indians: Week # 7: July 19th- July 23rd, 2010:

Look out LaPorte the Cowboys/ Indians are settling in on the shores of Stone Lake. We will learn about different Indians groups in our area, construct Tee-pees, and make Indian wear, drums and rain sticks. We may even do a little rain dance too. Oh yes, cowboys will be there also!

Stomp in the swamp (Frogs, Fish & Fun): Week # 8: July 26th-July 30th, 2010:

Sound a bit fishy? Join us for a week of amphibious adventures as we dive into a wet and wild exploration. We'll learn about local frogs and other aquatic creatures like aquatic insects and learn other fun facts about our aquatic habitats. There will be scavenger hunts, codes to crack, animals to track and puzzles to solve to unravel the mysteries that will play out in KID'S camp. Games and crafts will assist you on your way to figuring it all out. And remember, animals leave many clues behind, just because animals are hard to see, doesn't mean they aren't there!

Where in the World did our Camp go? : Week # 9: August 2nd-August 6th, 2010:

Let's pack our bags and grab our passports as we travel around the world exploring different cultures. Come try new things and see what it is like on the other side of the world. Campers will participate in games, crafts and more.

Heroes in Action: Week: # 10: August 9th -August 13th, 2010:

Calling all super Heroes Let's celebrate the people who do the extraordinary from day to day. Whether it be a police officer, or a fireman or someone else in our community we salute you this week!
