

FOR IMMEDIATE RELEASE

Contact: Mary Jane Thomas
Office of Community Development & Planning
CITY OF LAPORTE
801 Michigan Avenue
La Porte, IN 46350

The Business Improvement District is reminding planter adoptees to visit your planters. The daily irrigation allows not only the plants and flowers to flourish, but also promotes rapid weed growth. Please visit your planter weekly until October to weed and remove litter. Please do not dispose of the weeds in nearby trash receptacles, but take it off-site. Refer to the Adopt-A-Planter Guidelines for planter care details. If you have any questions, concerns, or wish to relinquish your planter, please contact the Office of Community Development & Planning at 362-8260. Together we make a beautiful La Porte! Thank-you for your time and attention.
