FOR IMMEDIATE RELEASE

Thursday, March 01, 2012: Mayor Blair Milo announced that she will hold her Fourth Drug-Free Roundtable with the focus on letting the teens talk. The Roundtable will be held on Tuesday, March 6, 2012 starting at 7:00 pm in the City Hall Council Chamber.

Mayor Milo stated, “In my ongoing effort to find common ground and solutions to the drug problem facing our community, I would like to invite our young people to come to this roundtable and voice their concerns. With the recent tragedy involving a La Porte High School student, I feel that it is vital that we hear their voices in our search for answers.”

The public is invited to attend, however the focus of this discussion will be centered on the young people in our community who are confronted with these challenges on a daily basis.
