Old Business – Due to personnel still being off for medical leave, one shift has not yet completed their mid-year performance rating. They should be completed within the month.

Alison Zoll reported she was in contact with the testing company regarding a question found with a typo. They informed her that the question will not be included in the results.

Alison also reported that the test scores are back they and will be posted as soon as possible.

The Commission set the Test Review date for Wednesday July 16th at 5:00 PM. Any firefighter that would like to review their test results must sign up on a sign-up sheet. This way only the necessary answer sheets & tests will be returned for review.

New Business – No new business.

Dr. James Edwards made a motion to adjourn, Ian Eldridge seconded at 6:52 PM.
